We have made the decision to move across to **COMPASS** at the beginning of next year. Staff will take the time during term four to learn about the new platform and we will also run a parent information session during term four. If you would like to know more about Compass as a parent please visit [www.compass.education/compass-features/compass-for-parents](http://www.compass.education/compass-features/compass-for-parents).

Transitioning across to the new system will mean all past reports will no longer be available online. Parents are able to download past reports until the end of 2023.

## OSHC

In OSHC this week, the children have continued building with the lego. Some very interesting people and fascinating machines were built – a skateboard type machine with rotors was my favourite. The kinetic sand was used to make some creative patterns in, again using different items to make the patterns.

Outside we were kicking the soccer ball around – a few goals were scored, and we also hit tennis balls against the wall to improve our aiming and hitting skills.

We hope everyone has a lovely holiday break, and we'll see you in Term 4.

Thankyou Larnie & Sue
