Swimming Program:

Our Swimming Program will consist of 8x40 minute lessons from Tuesday the 18th to Thursday 27th June, this is 8 consecutive days. There is a small cost to cover transport per child for the program this year which will be **\$40.00 per student**. We have been able to subsidise the cost through the Sporting Schools Program Grant. It would be much appreciated if this could be paid for prior to lessons commencing, CSEF funds will cover this for those who qualify. This is a whole school program and it is expected that all students participate. Our lessons begin at 12.10pm and conclude at 12.50pm. Students will stay inside after returning from swimming to ensure their hair is dry. Permission notes have been generated on Compass. **A reminder that if you come along to swimming parents are NOT PERMITTED to take photos in accordance with the pools policy. The school will take photos and distribute them to families as we are permitted.**

Here is a link to the Microsoft Form for parents/guardians to fill out - <https://forms.office.com/r/18KvVUtXHR>

Badminton/Table Tennis

On Tuesday June 18th, 19th and 20th students will participate in badminton sessions at the Eaglehawk Badminton Stadium. These sessions will take place after swimming, with students having a short break to eat their lunch, before heading to the stadium for a chance to try badminton from 1:45-2:30pm. It's important that students wear their sneakers (**the stadium have requested them being 'non marking' soles**), along with comfortable clothing. Please remember to bring drink bottles too! The cost is being incorporated with our swimming program.

Breakfast Club:

We have a number of students arriving very early on breakfast club mornings prior to 8:30am but then choosing not to have breakfast. **I would like to remind families that unless students are participating in breaky program they should not be here prior to 8:30am, unless they are booked into before school care.**

TUANS ASSEMBLY:

On Friday the **21st of June we will be doing our TUANS Assembly at 9:00am**. Invitations for the WebEx have gone out to families today.

Reports

Staff are currently working on their reports, and completing assessment for them. It is vital students are at school everyday to complete these.

End of Term

With the end of term fast approaching I would like to take the time to remind families that on the last day of term we do not provide afterschool care. There will be no after school care on Friday the 28th of June, we finish at 1:30pm and ask that all students are collected on time.

Classroom News

Grade 3-6 PE

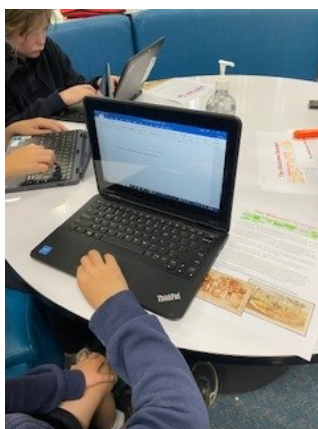

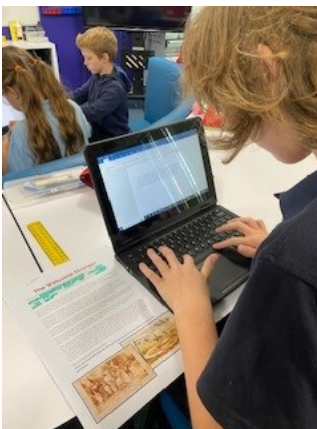

A fun session revisiting some of the minor games we've learnt over the course of Semester 1.

Wattles- Technology

To tie in with their current Discovery project, the Wattles & Melaleucas have been learning more about The Welcome Stranger gold nugget with Miss Coffey. Weighing in at a whopping 72kg, it's still the largest alluvial gold nugget ever found!

Anyone got a spare metal detector handy?! 😊

OSHC

With the weather getting colder as we enter the start of winter, we are spending a lot more time inside. Some of the children have been entertaining us with a magic trick show

– we were dazzled and amazed by their ability! Creating a domino effect with the domino blocks was another activity that the children in OSHC enjoyed. It was lovely watching the older children patiently explaining and demonstrating how to set up the dominoes so they would gently fall down, block by block, when the first block was gently pushed so the rest fell in succession.

The children are also enjoying colouring and drawing with textas, crayons and pencils, and the lego blocks are also a popular pastime.

We hope you enjoy the rest of the week. Time to pull out the beanies and gloves and rug up warmly!

Have a great week
Thankyou Larnie & Sue

Breakfast Club

Breakfast Club will run every Tuesday, Wednesday and Thursday from 8am to 8:45am until the second last week of term.

CONVEYANCE ALLOWANCE 1ST SEMESTER

If you claimed Conveyance Allowance this year, your Semester 1 is due to be paid into your nominated bank account. If this has changed from last year, please email myself or the school email, also if this is your first time collecting conveyance allowance could you please email your preferred bank account details to myself or the school email address. If you signed the section giving the consent for the school to withhold your payment and use it to pay fees, this will be done *accordingly*.

CHOOK SITTERS WANTED

We are after some families to roster some time over the holiday period to look after our chooks, The chooks must be locked up at night please. We will provide food for them, you get to keep their eggs. If you can help please see one of the teachers. Thank you.

**Stars of
the Week**

Hakeas Class Baylee

For displaying the strength of Love of Learning.

Which demonstrates our school value of Achievement.

Congratulation Baylee on being the star of the week. You have shown wonderful listening and concentration skills this week during our small, focussed literacy and numeracy groups. I love your positive Your Can Do It attitude towards your learning.

Well done Baylee!

Wattles Class Lucy

For displaying the strengths of Perseverance.

Which demonstrates our school values of Achievement.

Congratulations Lucy for being this week's Star of the Week. Lucy has shown over the past week during class she has been persevering even when the task seems hard and challenging. This has been especially evident in her discovery work she has been doing.

AWESOME WORK LUCY!

Melaleucas Class Scarlett

For displaying the strength of Perseverance.

Which demonstrates our school value of Achievement.

Congratulations Scarlett on being star of the week.

This week you have completed all tasks to the best of your ability even when asked to rethink on how to do something.

Keep up the great work Scarlett!
