**Learning Conversations:**

Semester reports were sent out on the last day of term 2, and it is now time to set our goals for the coming semester. Learning conversations will be happening early this term and are a great way for students, parents and teachers to set achievable goals for this term. We will be holding our learning conversations on **Thursday 1st of August.**

Students **WILL NOT** attend school on this day but are required to attend with their parents for the interview. **Timeslots for this day will be between 9am-4pm.**

**OSHC**

A reminder to all families who utilise our OSHC service it is essential that we know by 9am if your child will be attending OSHC in the afternoon, as if we do not have a booking the service will not run that afternoon. It is also vital families stay up to date and current with the fees and please keep an eye on your nominated email address for regular accounts being sent home. Unfortunately Larni will be finishing with us this Thursday after over 12 months of working to support children in the program. I would like to take this opportunity to thank Larni for her hard work, positive attitude, and dedication to the children here.

**Gardening and Jobs around the school**

We are looking for anyone who may be able to help by volunteering some time around the school to help maintain our beautiful yard. Currently we need to start preparing our yard for the upcoming spring and summer by doing some much needed pruning and weeding of our garden beds, along with tidying up other areas such as our Remembrance garden and veggie patch. Over the coming weeks I will be running a jobs list on the newsletter so if you have any time, no matter how small, please let me know.

**Attendance**

I wanted to take the chance to remind families of just how vital it is for students to be at school each day and on time. It is vital that students are here and ready to learn by 9am each day, as it sets them up for the best chance at being successful for their learning that day.

*Thank you for your continued support of Lockwood SOUTH*

## Hakea News

We have been designing patterns and pictograms in Art. This term, our focus will be on printing, using pattern blocks, things from the environment and making our own design to print onto some fabric. Last week we played around with designing a fish, pressing it onto some foam, colouring the foam with texta and then making a print. This week we designed patterns on a leaf/raindrop shape – we pressed them into foam, rolled them with black paint and then pressed onto cardboard.

A rabbit called Buddie hopped in to say “Hello” to the Hakea class this morning. We had met Buddy last year when Esther brought him to school, this time Buddy came with his new family members. The children were given the opportunity to pat the rabbits and were encouraged to write about their experience.

*Buddy was cute. The little bunnies were so cute too. One was white. One was tan. The little white bunny was the cutest. By Abby*

*Today we had rabbits at school. buddy weighed 7kg. I got a carrot for them. Buddy is a harlequin. Buddy's ears were floppy. By Logan*

*Today Esther came to school with bunnies. They felt soft. The biggest bunnies name was Buddy. The baby bunnies didn't have names. There were 5 bunnies, they do not have names because Esther is selling them. Buddy weighs 7kg. they eat lettuce, carrots, hay, grass and apples. By Ollie*

Thanks Mrs A

## Wattles

This week has seen the Wattles classroom starting to get back into the rhythm of our day to day routine. Students have been learning about the history of the Olympics in our handwriting, and closing in the last Buster and Polly book as part of our book clubs. Numeracy has seen us starting to look at the relationships between addition and subtraction, and multiplication and division

## Melaleucas

During discovery the Melaleuca's and Wattle's having been making dodecahedrons. They were required to research France and some quick facts, national dishes, famous landmarks, Olympians and their favourite Olympic sport.

Assembling them proved to be a little tricky for some but the end product is amazing.
