Hakea News

The children have been busy completing 'Cold Writes' over the last week. This involves them being given a topic and writing a piece in a designated time frame. Yesterday we discussed whales, we worked with a partner and did a 'turn and talk' where each person had 1 min to talk and 1 min to listen. From this, the children then went and constructed some writing together. These photos show some of the writing that was completed by the class.

Chinese Dear Parents and Guardians:

This week in our Chinese lessons, we successfully completed the second online challenge of Chinese Participation Week. The Hakeas class had a wonderful time with their singing challenge, where each student chose and performed their favorite song, showcasing their enthusiasm and love for music. Meanwhile, our Grade 3-6 students impressed us all with their creativity and attention to detail as they completed their Chinese Vase design challenge, producing some truly amazing and intricate artwork. Well done to everyone for their hard work and fantastic participation

Best regards Nan

Chaplaincy News

Each week at our Friday Assemblies, students are presented with Stars of the Week Awards. These Certificates acknowledge the hard work the students put in their classes around Teamwork, Understanding, Achievement, Nurturing and Striving. In the coming weeks, we will be including the Best Mate Award. The criteria that we will be using to select our Best Mate Award recipient of the week will be students who are: caring for others; including others; show friendliness toward others; being respectful and valuing differences in others. Another difference with this Award is that everybody in the Lockwood South Primary School community will have the opportunity to nominate others for this Award. If you hear your children talk about somebody who showing these criteria, please remind them to nominate that student.

OSHC

This week in OSHC, the children have continued constructing buildings using the rods and balls. On Thursday, the children made mini pizzas for snacks, using muffins as the bases and the toppings were:- tomato sauce, ham. Cheese and tomato. Everyone enjoyed this activity, especially eating them.

Outside, as the weather has been up and down, we have played a lot of downball under the undercover area. Some of the children are very flexible and are able to hit the ball from a variety of angles. They are impressive to watch playing.
