Smile Squad

Six month fluoride varnish visit

The Bendigo Health Smile Squad team are heading back to our school to complete six-monthly fluoride varnish applications for those students who have provided consent. Fluoride varnish applications help make sure students have the best chance of preventing tooth decay, so we're excited Smile Squad are coming back.

Consent for this fluoride varnish application was provided when students' initial consent forms were returned. However, if anyone has changed their mind and do not wish to receive a fluoride varnish application, they can contact Bendigo Health directly to let them know. Please contact the Smile Squad team via:

OSHC

In OSHC, over the last couple of weeks, we have been constructing trucks and boats with the lego blocks. We have enjoyed playing Zingo and Monster Crunch, and cubby houses and forts have been made using chairs and material pieces.

Outside the children have been playing in the cubby house turning it into a McDonald's drive through. We have also enjoyed playing downball and skipping in the undercover area.

Please let me know if you need your child to be in either before or after school care. Accounts are attached to this newsletter, these only cover your child/children's useage for this year. If you need the useage for last year, please let me know.

Thankyou Sue Stewart
