Pheonix Radio

Last Tuesday 10th March, 3 excited grade 6 students volunteered their time to represent our school. Archer, Oscar and Xavier were given the opportunity to participate in a radio interview session at Pheonix Radio, which they performed with enthusiasm and spoke with confidence. We would also like to give a special thank you to our surprise guest star, **Sara King**, for popping in and being part of the experience. Fantastic job by everyone involved. We were very proud of their attitude and success.

Harmony Day

Harmony Day is being celebrated on Saturday 21st. The grade 6 Leadership team will be celebrating the event this Friday 20th March with a special Lunch comprising of sausages, ice-cream and icy-poles, money raised will go to the grade 6 legacy item.

School Photos

School Photo Envelopes were attached to the last newsletter. Photos will be taken next **Tuesday 24th March** from 9am in the morning , so it would be very much appreciated if all students could arrive early. Envelopes marked with the pack you wish to order along with money inside, or direct debit receipt number. Envelopes are to be collected by the photographer on the day. **Please return to the school office prior to the day.** If you have misplaced the envelope there are spares at the school office.

Goal Setting Interviews

Reminder that our **Student Goal Setting Day** will be held next **Thursday, 26th March** for Wattles classroom. The Hakea class have been completing their interviews this week. All students will **not attend regular classes** on this day. Instead, they will attend a scheduled interview with their parents/ carers to discuss their learning goals for the year.

Time slots are attached to this newsletter, if you haven't booked a time slot it is best to talk to your teacher to find what time slots are still available.

Please keep the date free — we look forward to meeting with you and working together to support your child's learning.

Thank you for your continued support of Lockwood SOUTH Adam Torney

Stars of the Week

Week 5. Hakea Classroom—Evie F.

For displaying the strength of [Love of Learning](#) which demonstrates our school value of [Achievement](#)

Congratulations Evie on being this week's Star of the Week. I have been very impressed with the way you have been approaching your learning. You listen carefully to my instructions, work hard in our UFLI lessons and independently. Thank you for contributing to our class discussions during our daily book reading, we love hearing your thoughts. Keep up the wonderful work Evie!

Week 6. Hakea Classroom—Carys

For displaying the strength of [Love of Learning](#) which demonstrates our school value of [Achievement](#)

Congratulations Carys on being this weeks Star of the Week. I have been very impressed with you listening this week and your ability to put our learning into practise. You are focussing well during our UFLI and whole class literacy lessons, offering thoughtful retells using text specific language while focussing on the sequence of events. Keep up the wonderful attitudes Carys!

Week 5. 3/4 Wattles Classroom- Imogen

For displaying the strength of [Kindness and Leadership](#) which demonstrates our school value of [Nurturing and Teamwork](#)

Congratulations Imogen for being this week's Star of the week! Imogen has displayed kindness towards others in the 3/4 class over the past week by offering guidance and support to students when she recognises that it is needed. She's a natural leader in the classroom because she always offers to help others, including the teacher, and models exemplary behaviour and positive work ethic to her peers. AWESOME WORK Imi!

Week 5. 5/6 Wattles Classroom-Jarra

!For displaying the strengths of [Perseverance](#). which demonstrates our school values of [Achievement](#).

Congratulations Jarra on being this week's Star of the Week! You have shown great perseverance in your learning, which strongly reflects our school value of Achievement. You have been working incredibly hard and are making wonderful strides forward in your learning journey. Keep up the fantastic effort—we are very proud of you!

Week 6. 3/4 Wattles Classroom 3/4-Eva

For displaying the strengths of [Perseverance](#). which demonstrates our school values of [Understanding](#).

Over the years, we have witnessed Eva quickly give up on a task if she found it challenging. But this year, she has grown in maturity and confidence and giving up has become something of the past. Instead, she perseveres when something is challenging. She asks for clarification when she is unsure. She understands that to improve at something, she must persist. And this is why she has been awarded this week's star of the week. WELL DONE EVA!

Week 6. 5/6 Wattles Classroom 5/6-Oscar

For displaying the strengths of [Resilience](#). which demonstrates our school values of [Striving](#)

Congratulations Oscar for being this week's Star of the Week. You have shown the strength of Resilience, demonstrating our school value of Striving. When faced with a difficult task, you showed great determination and bounced back, continuing to try your best even when things were challenging. Your positive attitude and persistence are wonderful to see, and they are helping you grow in your learning every day. Keep up the fantastic effort, Oscar!

Gymnastics Program

Students will commence our gymnastics program at Jet's Gym on Monday 30th March, sessions will be at 12:45 to 1:45 and will run for 3 sessions. The next session will be Tuesday 31st March, then on Wednesday 1st April. Each session focuses on the development of a variety of gymnastics skills. There will be a cost of \$25.00 for transport per student, CSEF is available to use for families who are eligible. Reminder about suitable clothing to wear and what to bring: Please wear- shorts and t-shirt or tracksuit pants and t-shirt. No- dresses, skirts, zips or denim. Long hair MUST be tied up. If students own 'grip' socks - they are welcome to wear them, otherwise students will participate in bare feet.

OSHC

In OSHC this week , we have played games of Zingo, Mastermind and Who Am I. We have continued making cubbies using the furniture and material pieces and building shapes and buildings with the small lego blocks. Our art activity this week was making a copy of a picture, and then colouring in our copy.

Outside, we have continued to practice our skipping skills and using the hula hoops. We have played on the slides, chain walkway and fort area in the playground.

Please let me know if you need your child to be in either before or after school care by 9am.

OSHC Coordinator, Sue Stewart.

Breakfast Club— Breakfast Club is being offered every Tuesday, Wednesday and Thursday to the second and last week of term.

Happy Birthday to Matilda

Social Worker School Visits

Last Wednesday Carolyn Maltese from RIAC (Rights Information and Advocacy Centre), was at school from 1-3pm. She will have regular visits on the fourth Wednesday of each month.

We would love parents to come in and say hello and support this venture, it is a great resource for Lockwood South families to have access to.

Are you a parent or carer of child living with a disability, neurodiversity or mental illness?

SUPPORT IS AVAILABLE AT YOUR SCHOOL

You can attend a FREE 20-30 minute one-on-one session with a qualified social worker

- Learn about available supports and services appropriate to the needs of your child
- Learn strategies to confidently advocate for your child

Call the school to book an appointment.
