SUCCESS

isn't just about what you
accomplish in your life.

IT'S ABOUT WHAT YOU **INSPIRE**
others to do.

GRADE 3-6 CAMP/P-2 ZOO EXCURSION

The campers left for Melbourne camp this morning. After dropping their bags and a welcome induction at their accommodation, their next stop is a tour of our State Library after lunch at Batman Park. Then onto Melbourne Central for some exploring, after dinner they will visit Eureka Sky deck.

Zoo Excursion- The bus will leave the hall at 8am sharp to head to the zoo. I have generated a note for this on uEducateUs, we should return to the hall again at 5pm. Please pack plenty of snacks for your child and a refillable water bottle, we will be doing a lot of walking, so sensible shoes, this is a casual clothes event, but students must wear sleeves as part of our SunSmart policy. The weather at this stage is looking to be sunny and around 26 degrees Reminder– Please park along the bowling green fence when picking up in afternoon.

I just wanted to take the chance also to say a big thank-you to Edna and Miss Hammond who have volunteered to come along to camp, and we are all looking forward to the time away with the kids. If you need to contact staff while we are there, we will have the school mobile 0439353293 with us for emergencies contact.

PUPIL FREE DAY:

NEXT Tuesday 24th October is a designated Curriculum day, staff will be undertaking Compass Training. Students **will not** be in attendance.

School Council– Next Tuesday night at 6:15pm we have a school council meeting scheduled.

School Online Platform for 2024

We have made the decision to move across to **COMPASS** at the beginning of next year. Staff will take the time during term four to learn about the new platform and we will also run a parent information session. If you would like to know more about Compass as a parent please visit www.compass.education/compass-features/compass-for-parents.

Transitioning across to the new system will mean all past reports will no longer be available online. Parents are able to download past reports until the end of 2023.

2024 ENROLEMENTS

We have now started to look at budgeting for 2024. I am asking if people are looking to enrol in 2024 to please contact the school ASAP as I need to report projected numbers to ensure we have the adequate staffing levels for our school.

Thank you for your continued support of Lockwood SOUTH

OSHC

This week in OSHC the children have still been designing and building cars, trucks, boats and planes using the lego bricks. I'm impressed with the builds we get, which start off as an idea or as a picture of a vehicle or machine and then our young people proceed to build them.

Outside we have been kicking the soccer ball, playing 4 Square or playing on the playground equipment, when the weather has been suitable.

Thankyou Larnie & Sue
