Dear Parent/Guardian,

Lockwood SOUTH Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, your support in 2026 will allow us to:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Upgrade and purchase of additional IT devices for students.
- Maintenance of school grounds to reduce school community working bees.

Please find below Lockwood South Primary Schools voluntary financial contributions schedule for 2026, which includes an overview of what your contributions will contribute towards.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Adam Torney
Principal
