Welcome back

Welcome back to Term 3. I hope you all had a lovely time over the holidays with your families. I would like to congratulate those students who achieved high attendance rates for last semester, what a fantastic effort! This will be discussed at our Student led Conversations.

We would also wish to welcome Ming Ming and Yao Yao who will be attending our school during their stay in Australia, our community welcomes you and your family during your stay and hope you make many happy memories during your time here at Lockwood South Primary School. It also gives us an opportunity to learn more of your culture.

We wish to thank the Terry Floyd Foundation for their continued support, bringing boxes of fresh fruit and produce each month. It is very much appreciated.

Curriculum Day

Tuesday 5th August is a Curriculum day, staff will be travelling to Melbourne for a Professional Learning day. This is a student free day.

Students commenced our gymnastics program at Jet's Gym on Monday and today, sessions will be at 11.30 to 12:30 and will run for another 2 sessions. The next session will be next Wednesday 30th July, then the following Wednesday 6th August. Each session focuses on the development of a variety of gymnastics skills. There will be no cost for families; we were fortunate enough to secure Sporting Schools Grant. Reminder about suitable clothing to wear and what to bring:

Please wear- shorts and t-shirt or tracksuit pants and t-shirt. No- dresses, skirts, zips or denim. Long hair **MUST** be tied up.

If students own 'grip' socks - they are welcome to wear them, otherwise students will participate in bare feet.

Student led conferences

Student reports were sent home the last week of last term. Each report include achievement standards "dot page" and subject outlines. Please note that the comments section does not contain specific achievements or areas for improvement, as these will be discussed in detail during our **Student-Led Conferences**. The conferences will be held on tomorrow **Thursday, 24th July**, which is a **student-free day** however, students are required to attend their scheduled conference times **with their parents**. We look forward to these valuable conversations that support student reflection and goal setting.

Wellbeing Update

Whole School Student Expectations

Last term, students used their *student voice* to create a whole school student behaviour expectations matrix. Students worked individually and in teams to create the expected behaviours for students in the classroom, in the school yard and always. This matrix will now be displayed around our school for the school community to refer to.

When students know exactly what is expected of them, they are more likely to demonstrate these behaviours. School-wide expectations:

- provide structure for students and help them be more engaged in learning tasks
- are a preventative approach proven to improve student behaviour
- are associated with an increase in academic and behaviour outcome

Social Worker on Site Monthly

On the 4th Wednesday of each month, Lockwood South PS is fortunate to have a social worker on site for parents to access. Carolyn can assist with linking into services for concerns such as additional needs- eg. diagnosis support, NDIS support, respite; mental health concerns, domestic violence, homelessness, financial hardship, support at home for behaviour/sleep/other concerns, parenting courses, support groups, LGBTQIA+ support and more. Carolyn is on site from 1-3pm and is available for in person or via phone consults. All information provided to Carolyn during the meetings remain confidential (within legal guidelines). If you'd like to make an appointment to discuss support for yourself, children and/or family, please let the school know.
