### School Online Platform for 2024

We have made the decision to move across to **COMPASS** at the beginning of next year. Staff will take the time during term four to learn about the new platform and we will also run a parent information session. If you would like to know more about Compass as a parent please visit [www.compass.education/compass-features/compass-for-parents](http://www.compass.education/compass-features/compass-for-parents).

Transitioning across to the new system will mean all past reports will no longer be available online. Parents are able to download past reports until the end of 2023.

### 2024 ENROLEMENTS

We have now started to look at budgeting for 2024. I am asking if people are looking to enrol in 2024 to please contact the school ASAP as I need to report projected numbers to ensure we have the adequate staffing levels for our school.

Thank you for your continued support of Lockwood SOUTH

# Grade 3/6 Camp & Zoo Excursion

Melbourne Zoo  
We got on the bus at the hall, and we were going to the Melbourne Zoo. I disliked that it took 2 hours to get there. It took so long to get there. The big kids met us there. We went inside, we were eating. I was eating my cookie that we made at school. I was in Mr Torney's group. I saw a chameleon, crocodile, a big turtle, snake, seal, giraffe, and an elephant. At the end, I fell asleep on the bus.

The Zoo  
On Friday the Hakea's met at the LS Hall at 8am to go to the Melbourne Zoo. Then we got on the bus. I was talking and sleeping the whole time even when we got there. The bus drivers name is Donna. When we got there, we had a snack and then got put into groups. My group was Tom, Kenneth, Williem, Henry and I forgot the rest. Miss Hammond was our group leader. We saw gorillas, lemurs, red pandas, orangutang, giant turtle, giraffe, peccaries, and the snow leopard. On the way home I sat next to Jess. I was tired.

The Hakeas met at the hall on Friday. We saw seals, penguins, lion tiger, snow leopard and meerkats. We had to get there at 8am. I got to see Xavier. It was fun. I was in Mrs. A's group. We were lucky we got a wagon, we had so much fun at the zoo. Mrs. A let us go in the shade and under the water spray. It was soooooo hot at the zoo. Mum picked us up.

## OSHC

In OSHC this week, the children have continued designing and building interesting vehicles using the lego. We have played several games of Uno, and board games such as Mastermind and Monopoly; these are good to teach turn taking, and good sportsmanship. We have also made pictures and patterns using the little plastic blocks.

Outside, when the weather has been suitable, we have been kicking the soccer ball, or playing on the playground equipment,.

Thankyou Larnie & Sue

## Breakfast Club

Breakfast Club, Term 4 will run 3 days a week, every Tuesday, Wednesday and Thursday from **8am to 8:40am**.

## Our Strength Focus:

Happy Birthday Priya
