Parent Opinion

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. The survey is optional but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

The Parent / Caregiver / Guardian Opinion Survey will be open from Monday 7 August to Friday 8 September 2023. The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones.

OSHC

This week in OSHC we have enjoyed lots of fun activities, including the usual lego creations, tig and tag games outside in the undercover area, and quiet activities.

Thursday night was extra special with Sue preparing chicken noodle soup for afternoon snack, and Larnie brought in her African bongo drum which was of great interest to the children. With the addition of bells, sticks, a xylophone, a small bongo drum, maracas and castanets, an instant band was formed, with most of the children choosing an instrument. Lots of laughter, and evidence of emerging talented musicians occurred. Watch this space for a future band!

Thankyou Larnie & Sue

Breakfast Club

Breakfast Club will run 3 days a week, every Tuesday, Wednesday and Thursday from 8am to 8:45am.
