Somers Camp

Expressions of Interest went home to Grade 5/6 students last week. This adventure camp is open to all schools within our area and fabulously run at a very reasonable price. It is for 9 days and families are able to visit on the Sunday, student numbers are limited.

Family Welcome Breakfast/Special Assembly

We would like to invite families to join us next Tuesday morning from 8am for Breakfast Club and a special assembly. We will Webex the assembly at 8:45am to present our grade 6's with their badges. This is a great way for families to get to know each other if new to our community.

Reminder: Updated Pupil Information/Consent Forms

To keep our records up to date with changes that occur from year to year, such as occupations, which factor into our funding, and mobile phone numbers for emergency contacts. Pupil Information forms were attached to last week's newsletter. Consents must also be renewed each year for walking excursions, headlice, the MARC agreement, media, and photo sharing must be signed/completed and returned to school as soon as possible please.

Clean Up Australia Day

Friday 3rd March at approximately after recess the whole school will partake in Clean up Australia day in and around our school. Students and staff will be collecting bark, twigs, and general garden waste from around the school. Could parents assist by sending your child/ren with protective gloves, rakes, and wheelbarrows for the day. This would be greatly appreciated.

Thank you for your continued support of Lockwood SOUTH

OSHC

This week in OSHC we have had Harry Potter-like wizards running around with wands throwing spells here, there and everywhere. The children have also been playing card games, and doing jigsaws. We never seem to get the jigsaws completed though, as they prefer the 500 to 1000 piece sets.

What went wrong with this spell? Unfortunately, they don't all work as expected. (I think I was supposed to disappear, but nobody told me.)

Outside we have been playing wizards, but we have also been enjoying the tunnel at the playground. Cricket is still being enjoyed by many, practising their batting and bowling skills.

If you have any queries about OSHC, please ask me.

Breakfast Club

Breakfast club will be running 3 mornings this year, Tuesday, Wednesday and Thursday mornings from 8-8.45am

Tissues: This year we are asking that each child brings 2 large box of tissues to school for their classrooms. Your child should hand their box of tissues to their individual class teacher. One box of tissues is then made available to the class while the other boxes are stored for later use. Thankyou to those who have already brought some in.
