Welcome to 2025:

We welcome our school community back for 2025. We also welcome our new students to our school, along with their families. We would also like to introduce Mrs Byrnes who will take on the role of Mental Health & Well Being Leader in our school. There has been a staff shuffle, Edna will be in the Wattle classroom on Monday, Tuesday, Thursday and Friday. Jean our Chaplain will be here every Monday and Friday.

Yesterday all staff successfully updated CPR training which we all sincerely hope we never have to put into practice.

We are extremely excited for the year ahead and are looking forward to sharing the updates of some of the amazing things that are coming up.

Newsletter

This year we will be streamlining our newsletter from weekly to fortnightly. Classroom teachers will endeavour to provide updates through Compass.

Open Water Learning

Starting on Wednesday 12th February and running every Wednesday for 4 weeks the whole school will be participating in the Open Water Learning Experience at Crusoe Reservoir. Students will need their swimming attire, as they will be provided with lifesaving skills in and around water.

Updated Pupil Information/Asthma & Anaphylaxis Plans/Consent Forms

To keep our records up to date with changes that occur from year to year, such as occupations, which factors into our funding, and mobile phone numbers for emergency contacts Pupil Information forms are attached to this week's newsletter. Consents must also be renewed each year for walking excursions, headlice and the MARC agreement, and media, photo sharing must be signed/completed and returned to school as soon as possible

Thank you for your continued support of Lockwood SOUTH Adam Torney
