Phoenix Radio interview

On Friday, Mikayla, Lewis and myself, headed into Phoenix FM and spent an hour behind the microphone talking about how amazing our school is and what it means to be a leader within our school. I would like to say how proud I am of both students who went in; they spoke very articulately, while showing the maturity and wisdom they have. If you missed the session and would like a copy of the interview please contact Adam.

Congratulations Brawley on being the Student of the Week. We have been very pleased with your willingness to participate in new activities like; PE and Art and persevere when things are new. You are also showing wonderful teamwork skills by helping our class turning off and, on the lights, when asked. Thankyou for being a valued member of our class Brawley!

For displaying the strengths of Leadership

Fairness and Bravery

Which demonstrates our school values of

Teamwork and Nurturing

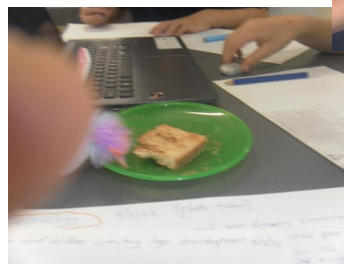

Congratulations on being star of the week. You were motivated to help with a range of tasks this week, especially running the Footy Colours Day activities. Your leadership skills really shone when you were running two activities on your own and even though they weren't the ones you would have preferred you did a great job making sure all students joined in and enjoyed the activity.

OSHC This week in OSHC we have been playing games like Uno, playing board games, and making models with the lego and techno-lego. We have also been drawing cartoon characters; and we made cinnamon toast for afternoon snacks. Outside we played on the playground; hiding in the tunnel and we practised our batting and bowling skills for cricket. Thankyou Sue
