## Athletics Day

I would like to take this chance to congratulate all the children from Lockwood SOUTH who came along to the Aths sports last Thursday. I know for some of our children this is not always something they are interested in or, their personal strength, but all staff were extremely proud of the way our kids got involved and behaved on the day. A big thank-you goes to our staff and parents who took on major roles either running events, collating names in the office, or assisting throughout the day, especially Mrs A who assisted in the organising of the event. See photos on next page.

## Somers Camp

Yesterday 2 of our students left for Somers Camp, we look forward to hearing all about their adventures over the next 7 days when they return.

## Education Week

This morning we held our open morning for parents, grandparents and friends to visit their child's class. Prospective families were also invited to see our wonderful Literacy and Numeracy Programs in action.

Next Tuesday evening will be holding a Foundation Information evening starting at 6pm.

## Swimming Program:

Our Swimming Program will consist of 8x40 minute lessons from Tuesday the 13th June until the Thursday 22nd, this is 8 consecutive days. There is a small cost to cover transport per child for the program this year which will be available next week. We have been able to subsidise most of the cost through the Sporting Schools Program. It would be much appreciated if this could be paid for prior to lessons commencing, CSEF funds will cover this for those who qualify. This is a whole school program and it is expected that all students participate. Our lessons begin at 12.10pm and conclude at 12.50pm. Students will stay inside after returning from swimming to ensure their hair is dry. Permission notes will be generated on uEducateUs in the coming week. Parents are also asked to complete a simple student swimming ability form at the link below.

<https://forms.office.com/r/ZCE5m0eChh> This will help our program be a success.

Thank you for your continued support of Lockwood SOUTH

Adam Torney

## OSHC

In OSHC this week we have continued to build our lego models, the original red building has expanded quite a lot. We decorated pots with paint, and planted succulents in them, which the children were then able to take home.

Outside we practised kicking footballs and playing in the tunnel at the playground. We also played a type of tiggy some days to get warm.

Please contact me if you have any queries.

Thankyou Larnie & Sue

## Breakfast Club

Breakfast Club will run 3 days a week, every Tuesday, Wednesday and Thursday from 8am to 8:30am.

## Athletics Day

## Stars of the Week

Grade P/1/2/3 Lucy

For displaying the strength of Perseverance

Which demonstrates our school value of Achievement

& Striving

Congratulations Lucy on your amazing work this week. I have been impressed with your willingness to have a go at all tasks even though it wasn't always the things you enjoy. Keep up the fantastic attitude towards your learning.

Well done Lucy!

Grade 4/5/6 Scarlett

For displaying the strengths of Perseverance and

Bravery

which demonstrates our school values of

Achievement and Striving

Congratulations on being star of the week. You have worked really hard on all of your learning tasks this week, especially reading ahead in Book Clubs in preparation for when you are away on Somers Camp. You also showed our school strengths at the Aths Sports when you continued to do your personal best after a big tumble.

Keep up the great work Scarlett!

One of our wonderful parents from school is taking on the Great Ocean Road marathon for a great cause. Please see details below.

Hi Lockwood South families!

On 21st May, I am going to run the 44km Great Ocean Road Marathon. I've never run a marathon before, but it's good to do difficult things and I am training hard and have even joined a running club so that I can do my best on the day.

I recently found out that somebody very dear to me has terminal prostate cancer and I am fundraising to help the Prostate Cancer Foundation of Australia. My goal is to raise \$3500 and I am well on my way. Donating only takes a minute and any amount you can give (no matter how large or small) will go a long way to helping fight prostate cancer.

To donate, follow this link: <https://gorrf23.grassrootz.com/pcf/russell-easton>, or scan the QR code below my picture.

## Grade 6 Leadership

### Term 2 & 3

Each Friday our grade 6 leadership team will be selling pies and sausage rolls for lunch every Friday. Order forms will need to be returned by 9am Thursday morning each week.

Tours run daily at 10 am and 2 pm

Crusoe College is an exceptional educational institution that provides students with outstanding opportunities for success.

Our REAL values -Respect, Endeavour, Aspiration and Learning -support students to become confident, self-assured, and engaged community members.

We work with each student individually, focusing on forming a strong, positive relationship and managing those relationships restoratively.

Our team of educators is highly skilled in nurturing curiosity, promoting critical thinking and creativity, and encouraging real-world problem-solving and scientific exploration.

Crusoe College's vision is that all students become responsible members of the community who identify and manage the pathway to their preferred future.
