Classroom Update

Thank-you to everyone for the offers of help and support over the last few weeks to get our Wattles classroom up and running. The change to back to 3 classrooms has been a very enjoyable one for our students and staff. As a leader I am extremely blessed to have such an amazing staff, who provide our children an amazing program ALL the way throughout the day. **It is ESSENTIAL that students are here on time for school each day**, as even being 5 minutes late can mean a major disruption to not only their learning but also other members of the class.

Curriculum Day

At our last School Council meeting a Curriculum Day was approved for Friday 9th of June which is the Friday before the Kings birthday long weekend.

Swimming Program:

Our Swimming Program will consist of 8x40 minute lessons from Tuesday the 13th June until the Thursday 22nd, this is 8 consecutive days. There is a small cost to cover transport per child for the program this year which will be **\$15.00 per student**. Schools have received some funding to cover some of the cost and we have been able to subsidise it further through the Sporting Schools Program Grant. It would be much appreciated if this could be paid for prior to lessons commencing, CSEF funds will cover this for those who qualify. This is a whole school program and it is expected that all students participate. Our lessons begin at 12.10pm and conclude at 12.50pm. Students will stay inside after returning from swimming to ensure their hair is dry. Permission notes will be generated on uEdu-cateUs in the coming week. Parents are also asked to complete a simple student swimming ability form at the link below.

MARC VAN

We are very lucky to be having Chris Kennett visit Lockwood South on Tuesday May 30th

Chris is a local illustrator who has worked on LOTS of amazing projects, from Star Wars to School of Monsters. He is also responsible for the fabulous artwork on the MARC Van.

If you own any of Chris's books make sure you bring them along for him to sign on the day!

OSHC

We have enjoyed another fun week in OSHC. Some of the activities we enjoyed were colouring in activity sheets with textas, completing our flower pots and

putting a small succulent in each. Most of the children made 2 to take home. As the weather gets colder we are spending most of the time indoors, although kicking the footy outside has been a popular past-time for us all. Jenga blocks have been another popular activity for the children. There are lots of creative activities, and Uno is definitely high on the list for quiet, relaxing fun at the end of a busy day. Please contact me if you have any queries.

Thankyou Larnie & Sue

Breakfast Club

Breakfast Club will run 3 days a week, every Tuesday, Wednesday and Thursday from 8am to 8:45am.

Scholastic Book Club

Issue 4 is attached to this week's newsletter. Orders can be processed through LOOP or placed through the school by bringing orders with money to the school office. Please **return to the school office by Monday 5th June** Thankyou Jo Egan

Grade P/1 Tom

For displaying the strength of Perseverance

Which demonstrates our school value of

Achievement & Striving

Congratulations Tom on a fantastic week in the Hakea Classroom. You have been enjoying the new class structure and taking on some leadership roles and new responsibilities. Keep striving to do your personal best in all areas.

Well done Tom!

Grade 2/3 Oscar

For displaying the strengths of Leadership and Humour

Which demonstrates our school values of Teamwork and Nurturing

Congratulations on being star of the week. You have worked really hard on all of your learning tasks this week, and have been extremely helpful with the move to the wattles classroom. Keep up the amazing work!

Keep up the great work Oscar!

Grade 4/5/6 Amira

For displaying the strengths of Leadership and Kindness

Which demonstrates our school values of Teamwork and Nurturing

Congratulations on being star of the week. It has been great to see you working hard on your learning tasks this week. You have done your personal best on every task and it was wonderful to see you quietly helping others, especially during Maths. Even when helping others you still managed to complete your own work.

EVERY MINUTE COUNTS ...

Lost minutes mean lost learning!

When your child misses just	that equals...	which is....	and therefore, from Prep to Year 12, that is ...
10 minutes a day	50 minutes of learning time each week	Nearly 1½ weeks per year	Nearly ½ year of school
20 minutes a day	1 hour and 40 minutes of learning each week	Nearly 2½ weeks per year	Nearly a year of school
1/2 an hour a day	½ a day of learning each week	4 weeks a year	Nearly 1½ years of learning of learning
1 hour a day	1 whole day of learning each week	8 weeks per year or nearly a term a year	Over 2½ years of learning

Your child's best learning time is at the beginning of the day...

**School starts at
9.00 AM
DON'T BE LATE!**

Good time keeping means making sure that your child is at school and ready to learn BEFORE the school bell rings!

One of our wonderful parents from school is taking on the Great Ocean Road marathon for a great cause. Please see details below.

Hi Lockwood South families!

On 21st May, I am going to run the 44km Great Ocean Road Marathon. I've never run a marathon before, but it's good to do difficult things and I am training hard and have even joined a running club so that I can do my best on the day.

I recently found out that somebody very dear to me has terminal prostate cancer and I am fundraising to help the Prostate Cancer Foundation of Australia. My goal is to raise \$3500 and I am well on my way. Donating only takes a minute and any amount you can give (no matter how large or small) will go a long way to helping fight prostate cancer.

To donate, follow this link: <https://gorrf23.grassrootz.com/pcfa/russell-easton>, or scan the QR code below my picture.

Grade 6 Leadership
