## School Online Platform for 2024

We have made the decision to move across to **COMPASS** at the beginning of next year. Staff will take the time during term four to learn about the new platform and we will also run a parent information session. If you would like to know more about Compass as a parent please visit [www.compass.education/compass-features/compass-for-parents](http://www.compass.education/compass-features/compass-for-parents).

Transitioning across to the new system will mean all past reports will no longer be available online. Parents are able to download past reports until the end of 2023.

Thank you for your continued support of Lockwood SOUTH

## OSHC

In OSHC this week, Bec from Vic Kids Eat Well came out and provided our children with a cooking lesson. The children made Rice Paper Rolls after a lesson on how to use a knife – the 2 methods used to cut things; Bridge and Bear Claw. The children then cut the vegetables for use in their roll – carrots, cucumbers, and capsicums; and also took the leaves off the coriander. After soaking their rice paper, they placed whatever they wanted on it; options were:- vegetables, noodles, chicken, and honey soy tofu; and then folded it up. Everyone tried the honey soy tofu, but it wasn't to everyone's taste.

We will be cooking every 2nd Thursday – the dates are:- Nov. 9th we will be making fruit smoothies and frozen yoghurt popsicles and Nov. 23rd we will be making soup and Dec. 7th we will be making toasties. The children voted on what they wanted to make and these were the things that got the most votes. Bec will be back to help us on November the 9th.

We also continued our vehicle building with the lego bricks, and playing Monopoly, Mastermind and Uno. Outside, we have been playing soccer and under the under-cover area, chess.

Thankyou Larnie & Sue
