The Smile Squad free school dental program is coming to our school

The Smile Squad team from Bendigo Health is coming to our school soon. Smile Squad is the Victorian Government's free school dental program. This means *all* students can receive a free dental check-up, preventive services, and treatment at school.

How to access free dental care

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic> OR use the QR code

Paper copies of the consent form are also available. Please contact the school office if you would like one.

If your child is under six, please speak with a dental or trained health professional to determine whether this toothpaste is suitable. Alternatively, you may choose to put the toothpaste aside until they turn six or give it to another family member.

Do I need to attend my child's appointment?

No, you do not need to attend your child's appointment. You are welcome to attend if you wish, and you can choose to take your child to a community dental clinic if that suits your family better.

OSHC

This week in OSHC, we have created large houses and furnished them using the Lego blocks. We have played games of Headbanz, Jenga, and The Game of Life. Our art activity this week was mindfulness colouring – colouring in different patterns.

We played on the slides, web, and rock wall outside in the playground and in the undercover area we continued to practise our skipping and play down ball.

Please let me know if you need your child to be in either before or after school care by 9am.

Thankyou Sue Stewart.

Breakfast Club —Breakfast Club started yesterday and will be offered every Tuesday, Wednesday and Thursday from 8:15 to 8:45am to the second last week of term.
